

**SATURDAY,
MAY 16, 1964
at Acadia Farms
Northfield, Ohio**

**Shorthorns And Polled Shorthorns
From
Five Farms Famous For Champions**

5375 Wallace Walker, Buford, ND

ACADIA NAPOLEON 95th — Heritage and individuality stamp this calf as the pluperfect of Napoleons. Acadia accordingly sells only a 2/3 interest, which gives the buyer possession and Acadia a full semen interest, with the right to collections on request. With the buyer's permission, Acadia wishes to retain 1964 show rights. The 95th's dam has been the best producing daughter of the great imported Pittodrie Banker cow that founded Acadia's champion-studded Rosewood Rachel family. A full sister to the 1952 Ohio State Fair Grand Champion female, she is also the dam of Acadia Rosewood Rachel 6th, Junior Champion, 1960 Canadian Royal Winter Fair and Reserve Grand Champion, 1960 American Royal. She in turn is the mother of Acadia Napoleon 60th, the great young sire in which Acadia shares ownership with Tudor Bros. of Columbus Grove, famed old Ohio herd. Another closely related Rosewood Rachel that was Grand Champion of the 1956 Kentucky State Fair for Acadia is the dam of Acadia Napoleon 30th, the outstanding bull that has been producing champions for Dan & W. G. McCubbin.

ACADIA NAPOLEON 88th — By Kinellar Napoleon himself, this is a full brother to — and fully as good as — Acadia Napoleon 77th, 1963 Ohio State Fair Grand Champion, International 1st prize winner and All-American, shown under Acadia colors after purchase by Hart Farms, Waxahachie, Texas, in the "Napoleon Memorial" last June. Larry Hart and Buck Bardwell chose a champion then. You can do so now. The dam of the 77th and 88th is a great Calrossie Troubadour cow, Reserve Grand Champion, '59 Ohio State Show. Acadia would like 1964 show rights.

ACADIA NAPOLEON 100th — By Kinellar Napoleon, the 100th is in every respect in the same top class with his full brother, the 85th, 1963 Inter'l 1st prize winner and All-American, now owned by James Ingram, Paw Paw, Illinois, and with his full sister, Acadia Estelle 6th, one of Acadia's 1962 show stars. Remember this from The Shorthorn World report of the 1962 International? "Acadia and Kinellar Napoleon breeding blanketed the largest and very strong senior heifer calf class. The first place winner was the Reserve Grand Champion, Acadia Lavender 12th, followed closely by her half sister and stallmate, Acadia Estelle 6th." The Calrossie Troubadour dam of these three exceptional calves is a full sister to Acadia Highland Promise, sire of 1962 and 1963 Shorthorn and Polled Shorthorn prize winners, bred by North Woods Farms and exhibited by Acadia. The 100th belongs in Acadia's 1964 show string if the buyer is agreeable.

ABOUT ACADIA'S ALL-NAPOLEON BULL OFFERING

"All Napoleon and all topnotch" are the words that best describe Acadia's 10 bulls for the "Choice of Champions" Sale.

The incomparable Kinellar Napoleon occupies a permanent and prominent niche in the beef cattle Hall of Fame as one of the greatest breeding bulls of all time, and the last six by Kinellar Napoleon himself, one each by two of his solidly established sons. Acadia Napoleon 20th and Deep Cove Napoleon 3rd, and two — the first to be offered — by possibly the paragon of all Napoleons, Acadia Napoleon 66th.

There isn't a Shorthorn or Polled Shorthorn herd in the world that couldn't find the stock bull of its dreams in this all-Napoleon offering. The accent is on youth this year, but on youth that goes hand in hand with quality. While no Polled Napoleon bulls are now available at Acadia, Polled breeders can take a page from Acadia's book, and pursue the shortcut to success by using a Napoleon bull with Polled females.

BUYERS made their CHOICE at the 1963 ACADIA SALE

A Warm Invitation

All of us at Acadia take pride in joining with our great good friends from Boll Weevil, Pennsylvania State, Timberlee and Windholme to invite the beef cattle fraternity to gather with us at Acadia for the first annual "Choice of Champions" Shorthorn and Polled Shorthorn Sale.

Although seven earlier auctions have been held at Acadia during our almost two decades in business, this is a brand new event that has been in the planning for a full year. Each of the five farms joining forces in the "Choice of Champions" Sale has exerted every effort to make it the foremost Shorthorn and Polled Shorthorn offering of 1964. All five farms follow carefully conceived breeding programs, with equal stress on individuality and bloodlines, and we are pledged to share our best with you.

The pictures, pedigrees and footnotes in this catalog can naturally give you no more than a foretaste of the topnotch bulls and females that will be available for your selection on Saturday, May 16. When you see the cattle for yourselves, we are certain you will be well pleased.

Try to arrive at Acadia no later than Friday, May 15, and come earlier in the week if possible, so that you can make your "Choice of Champions" at complete leisure. All visitors will be welcome at the special Shorthorn Day luncheon meeting of the Cleveland Chamber of Commerce Farmers Club at the Manger Hotel in Cleveland at noon on Friday, and will be Acadia's guests at buffet supper at the Home Farm that evening. For the special benefit of our lady visitors, we hope to have our lilacs, dogwood and other flowering trees in full bloom.

Cyrus Eaton

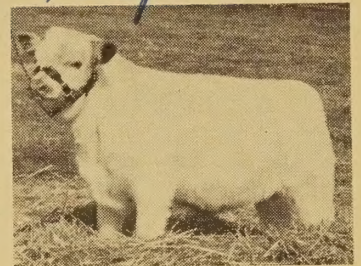

Cyrus Eaton, owner of Acadia Farms and chairman of the board of the Chesapeake & Ohio Railway, with Acadia Napoleon 104th, left, and Acadia Napoleon 102nd, right, the first two sons of Acadia Napoleon 66th. Eaton was honored as a "Builder of the Breed" in 1955 as was Acadia vice president Betty Royon in 1960.

Acadia elects to retain show rights on both the 102nd and the 104th. The two calves have commanded the complete admiration of all who have seen them. They will be brought into the ring together, and, at the conclusion of the bidding, the buyer will name his choice, Acadia retaining the other calf. Whichever calf is selected, a 2/3 interest sells, with Acadia keeping a full semen interest that carries the right to collections on request.

ACADIA NAPOLEON 102nd — This is the first son of the 66th, the paragon of all Napoleons, and the image of his sire since the first day he hit the ground. You saw him in his four-day-old form on the cover of the March 15th Shorthorn World. You'll admire him even more when you see him in the flesh at Acadia on May 16. His dam is one of those invaluable Calrossie Ocean Wave daughters with which Boll Weevil can no longer be persuaded to part. For the terms on which the 102nd will be offered, see the paragraph above.

ACADIA NAPOLEON 104th — This is the second son of the 66th, and he, too, has been the image of his sire since the first day he hit the ground. Great white bulls have borne a full measure of responsibility for the greatness of the Shorthorn breed, and these first two sons of the 66th seem destined to make new breed history. The 104th's dam is the lovely Acadia Augusta 33rd, 1961 Eastern National and Pennsylvania National Grand Champion, as well as All American.

and watched their purchases **BECOME CHAMPIONS** that fall

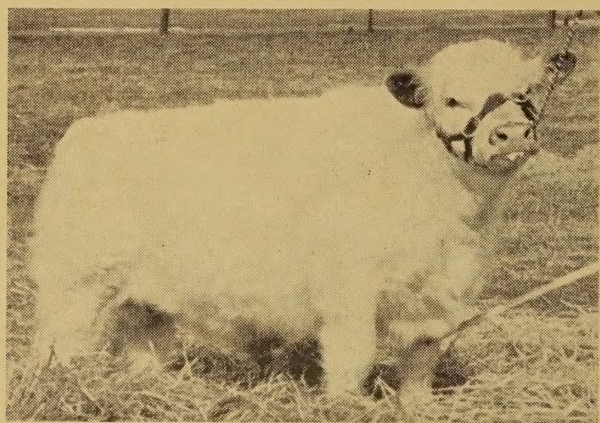

5385 C. L. Murphy & Son
Northfield, Ohio

ACADIA NAPOLEON 89th — By Kinellar Napoleon himself, the 89th also possesses the maternal heritage considered indispensable to a true stock bull. From the famed Calrossie Floss family, the 89th's dam has consistently produced desirable calves, the best known perhaps, Acadia Flossy, Reserve Grand Champion of the 1955 Ohio State Fair and Grand Champion of the 1955 Kentucky State Fair. A beautiful full sister to the 89th sold in the 1963 "Napoleon Memorial" to the Keith Shepherds of Hopkinsville, Ky.

ACADIA NAPOLEON 90th — By Kinellar Napoleon himself, the 90th will show under Acadia colors in 1964 if the buyer consents. His imported dam from the Calrossie Princess family is one of Acadia's best brood cows. A lovely full sister to the 90th was selected by Northwood in the 1963 "Napoleon Memorial."

ACADIA NAPOLEON 93rd — Remember the tremendous white bull bought by Boll Weevil in the 1963 "Napoleon Memorial"? The 93rd is a full brother to the 76th, and measures up to him in every respect. The dam is a typical representative of the great imp. Corrimony Butterfly family that has produced countless champions for Acadia and Deep Cove, among them Acadia Napoleon 51st, 1961 American Royal Reserve Grand Champion after he sold in the 1961 sale to the Bynums of Okla. The Shorthorn herds that make history periodically feature white bulls in their breeding programs. This one easily ranks with the 5th (Tenn.), the 30th (Neb.), the 44th (W. Va.), the 65th x (Va.), the 66th (Colo.), the 69th (Ky.), the 76th (Ga.) and the 85th (Ill.).

THE MOST POPULAR OFFERING OF THE YEAR

Buyers from 14 states and provinces made the 1963 Acadia bull offering the most popular of the year when they paid an average of \$2,064 for 14 and one-third of them — mostly sons and grandsons of the incomparable Kinellar Napoleon. The heifers in the 1963 "Napoleon Memorial" sale were equally choice and helped make the sale the top-averaging sale of the year. It also set an all-time record bull average for the eastern United States and was the best Shorthorn sale in the East since 1920. As in 1963, this year's Acadia all-Napoleon bull and female offering is jam-packed with potential champions. The challenge to you is to make your choice. Then watch them become champions later in the year as buyers did in 1963.

Buyers CAN CHOOSE from 1963 CHAMPIONS already

Left — Deep Cove Napoleon 32nd, Lot 9, is a half-brother to both members of the first prize pair of bulls at the recent Canadian Inter'l Bull Sale. One was reserve grand champion; the other was a first prize winner. See them on the front cover of this catalog.

Right — Acadia Napoleon 81st, Lot 10, a strong-aged bull whose rugged bone, great head and bulging quarter make him so identical to his illustrious sire.

\$700 Honder Knoll Farm, Lexington, O.

	Prumplestown Butterfly 58th Dk. Roan, J. F. Wright

DEEP COVE NAPOLEON 32nd — Another outstanding son of Deep Cove Napoleon 3rd, the great sire that was junior champion of the 1959 Canadian Royal Winter Fair, Toronto, and sire of many winners, including all the junior and reserve junior champions, male and female, as well as the 1st prize get of sire at the 1963 Atlantic Winter Fair. At the Canadian Inter'l in Manitoba, Feb. 29, two other sons of the 3rd won two first prizes, reserve grand championship and trophy for best pair of bulls, one selling for \$3,300 to Searle Grain Co., East Selkirk, Man., and the other for \$2,000 to Sherrod Shorthorn Ranch, Steamboat Springs, Colo. The 32nd's dam, Deep Cove Butterfly 12th, is a typical representative of the great imp. Corrimony Butterfly family that has produced countless champions for Acadia and Deep Cove, among them Acadia Napoleon 51st, 1961 American Royal Reserve Grand Champion after he sold in the 1961 sale to the Bynums of Okla. The Butterfly cow is a full sister to all of the Deep Cove Ironclad Monarchs including the great bull bought by Nils Aspaas of Baltic, S.D., in the 1956 Inter'l Sale.

KEYNOTE'S SPORTSMAN — This bull is out of the same dam as P S Troubadour, the 1956 International grand champion steer over ALL breeds. He is straight-lined and very breedy headed. We believe he is a herd bull prospect. We want to reserve the show rights on this calf.

\$850 N.A. Brown & Bearcroft Farm, Belmont, C.

	Aldie Cloe Augusta Red, Finlay MacGillivray

ACADIA NAPOLEON 81st — So closely resembling his illustrious late sire that he could well be called Kinellar Napoleon, Jr., this great young bull has a permanent place in Acadia's carefully planned breeding program. The 2/3 interest that sells gives the buyer possession, with Acadia retaining a full semen interest with the right to collections on request. Sold to West Kentucky Coal Co. in the 1963 sale, the 81st went on to become Grand Champion of the Ohio Classic and Reserve Grand Champion to a fellow Napoleon at the Ohio State Fair. Acadia succeeded in buying the 81st back only because West Kentucky's broadly expanding coal operations have drastically reduced their farm acreage and forced the sale of the WesCoal Shorthorn herd. The 81st gets a rich heritage not only from his sire, but also from his dam, International reserve junior champion for Leveldale the same year a Napoleon daughter was junior and reserve grand champion for Acadia.

Substitute

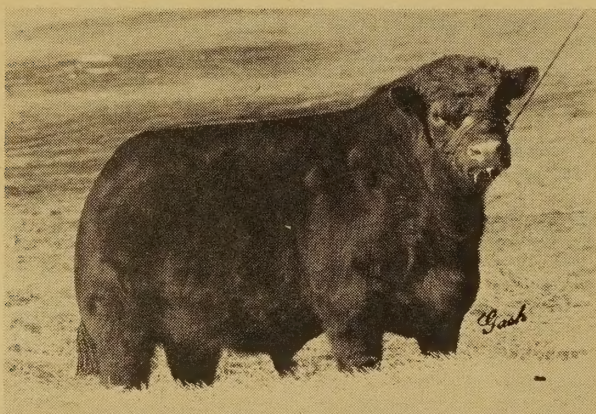

Best Ten Head of Polled Shorthorns at the 1963 International were shown by Pennsylvania State University. All were by Rodney's Leader 29th x, sire of a bull and two females selling. Included in this group was International grand champion Skirmish Hill's Rodney x, service sire of four females in the Penn State and Timberlee consignments.

PENN STATE: HOME OF CHAMPIONS

With a modest-sized but high quality herd of Shorthorns and Polled Shorthorns, Pennsylvania State University, under the expert guidance of Herman Purdy, has achieved phenomenal results in both the breeding and exhibition of the finest Shorthorns and Polled Shorthorns. In 1962 their P S Floss 9th was International grand champion female. They closed out their 1963 show season by winning most of the Polled Shorthorn championships at the International including both grand championships, the Best Ten award and the first prize get-of-sire by Rodney's Leader 29th x, himself an International grand champion

for Penn State and the sire of the Penn State Polled Shorthorns in this "Choice of Champions" Sale. Their attractive Shorthorn offering is by Tuscarora Keynote.

Also to Penn State goes the honor of exhibiting P S Troubadour, the greatest International grand champion steer over all breeds of all time. The university joined with the staff of Acadia Farms, breeders of P S Troubadour, to give the steer a triumphal tour of the United States and Canada which is acknowledged as the greatest promotional work of any breed in history.

RODNEY'S RUFUS x — A very growthy correct son of the 1959 International champion, Rodney's Leader 29. Rufus was in the winning ten head at the 1963 International and is an All-American nominee. Penn State would like to exhibit him in the 1964 shows.

KEYNOTE'S TROUBADOUR — We are very proud of the calves by Tuscarora Keynote. This bull is out of the same cow as the Polled heifer we are selling that was senior champion at Chicago. This calf has lots of growth and beefiness. Penn State would like to show this calf this fall.

Buyers CAN ALSO CHOOSE from a great group of younger

Left — Timberlee's T C Napoleon 11th x, Lot 15. Here is the prepotent combination of Kinellar Napoleon and Timberlee's Consort x breeding that has produced many champions for Timberlee and Acadia.

Right — Timberlee's Consort 41st, Lot 14. The Timberlee's Consorts have won three International championships in four years.

TIMBERLEE VALLEY ADDS NEW POTENCE TO POLLED

Fred W. and Fred E. Smalstig are no newcomers to the championship ring. Their Timberlee's Consorts x (together with the Penn State Rodneys and the Acadia Napoleons) have given Polled Shorthorn breeders everywhere potent new bloodlines. Both Builders of the Breed, the Smalstigs have developed the Timberlee's Consorts which include three International champions. They are adding new strength to Polled Shorthorns from

the Rockies to the Atlantic.

Timberlee shares ownership of Skirmish Hills Rodney x, 1963 International grand champion bull. Their "Choice of Champions" females carry his service or breeding privilege to him. Equally important in their program is Acadia Napoleon 25th x, sire of the top-selling female at the recent Polled Congress. Timberlee sells a bull and two females by the 25th x.

Dam	Willow Lee Beauty 11th Roan, House & Benroth	Crichton Broadway Red, R. H. Watherston Stackpole Beauty Red, John E. Bennion & Son
Willow Lee Beauty 2d Red, O. W. House		

TIMBERLEE'S CONSORT 41st x — A deep, rich red, possesses great thickness, a powerful head, and the smoothness typical of the Consort cattle. He is a full brother to the very popular \$2,100 Timberlee's Beauty 2d x, 1962 Congress champion, now in the fine Brookwood Farm herd. Willow Lee Beauty 11th is our best cow. This bull calf inherits his breed character — his value is naturally come by. With the buyer's permission we would like to reserve show rights. *up to buyer*

\$625 Crane Farms, Albright, W. Va.

Left: PS Floss 9th by Craigeassie Pennsylvania, was '62 International grand champion female. She is owned by Harry Peters who is holding the trophy. She and other champion and top-selling females of the same stamp destined the relatively new Windholme herd for greatness.

WINDHOLME: A HERD BUILT ON CHAMPIONS

Harry T. Peters Jr., has made his mark in many fields and is a veteran breeder of purebred livestock. When he entered the Shorthorn breed, it was with the intention of laying a powerful foundation. This he has done with such skill that his brood cows bred to Acadia Napoleon 65th x, the International reserve junior champion, are producing calves of great uniformity and superb quality. The pick of these calves are already slated for the 1965 "Choice of Champions" Sale.

Lot 15 TIMBERLEE'S T C NAPOLEON 11th x3158-876 \$650 *Chas. Pugh*

Bull, dark roan, calved Apr. 17, 1963. Bred and owned by F. W. Smalstig, Pittsburgh, Pa. Tattoo LE S137 RE S137

Sire	Kinellar Napoleon Dk. Rn, S. Campbell & Sons	Gallant Marshal Red, S. Campbell & Sons Kinellar Ury Maid 23d Dk. Roan, S. Campbell

Timberlee's Orange Bloom x Red, F. W. Smalstig		

TIMBERLEE'S TC NAPOLEON 11th x — Has always been a most popular calf since birth. A deep roan, he is very correct on his feet and legs, has a great rear-quarter and straight in his lines. We think he has a great future in front of him in both showing and breeding pen. His dam, a most impressive heifer, is a full sister to Timberlee's Consort 3d x, the sire of Sceni-Vale Clipper x, 1962 International champion female. He should make a powerful spring yearling and we would like permission to show him. Herd TB Accredited and Bangs Certified.

Come choose YOUR CHAMPIONS...

ACADIA'S ALL-NAPOLEON FEMALE OFFERING

Every one of the 21 outstanding females from Acadia in the "Choice of Champions" Sale offers an opportunity to tie into the prepotent Napoleon breeding that produces both bulls and females of exceptional caliber.

Sixteen of these females are by Kinellar Napoleon himself or solidly established sons of his. The other five females sell either bred or with a breeding privilege to the most popular Napoleons.

From these 21 foundation females will come sons of stock bull quality and daughters of brood cow potential, all carrying the incomparable Napoleon bloodlines. There isn't a Shorthorn or Polled Shorthorn herd in the world that couldn't benefit from the addition of this Napoleon breeding.

\$550 Gilbert Abbott Kiowa, Colo.
Lot 22 ACADIA AUGUSTA 37th 3155-368

Female, red, calved Nov. 13, 1962. Bred and owned by **Cyrus S. Eaton**, Northfield, Ohio. Tattoo LE CEL62

ACADIA BUTTERFLY CHARM 11th — The imported Butterfly Charm family is one of Acadia's most illustrious. This worthy member, by Kinellar Napoleon himself, is out of the prize-winning maternal granddam of Acadia Napoleon 66th. She sells with a long service date to Calrossie Troubadour, so the resultant calf will possess the complete combination of bloodlines that has made the 66th the paragon of Napoleons.

Lot 33 ACADIA BUTTERFLY C 13th 3159-879

ACADIA BUTTERFLY RUBY 3rd — The Troubadour daughters are exceptional females, and this one is a model. Her first calf was a lovely heifer by Acadia Napoleon 66th that was lost in an unfortunate accident. She sells rebred to the 66th, the paragon of Napoleons. Her dam, imported Kair Butterfly Ruby, comes from the same Scottish herd as Acadia's famed Butterfly Charm family and is one of the best individuals in the Acadia herd.

Three choice bred females from Acadia whose calves should be potential champions are, from left, Acadia Butterfly Charm 11th, Lot 32; Acadia Butterfly Ruby 3rd, Lot 35, and Acadia Eve Rosewood D, Lot 34.

35- A2150 J. Stirling Ambrose

8550 Jim Ingram

ACADIA NAPOLEON 66th, paragon of all Napoleons, heads the herd sire battery at John Shuman & Sons' Colomeadow Farms, Deertrail and Byers, Colo., and at Acadia Farms. His tanbark career included championships at most of the major shows of the breed in 1962 and was climaxed by his being named champion All-American summer yearling. John Shuman says, "We now have seven calves by the 66th. Each has an outstanding head, which is the first thing I look for when evaluating a new bull's siring ability. The 66th's sons and daughters have the same great bone, thickness and substance of their sire. He himself has matured into what is undoubtedly the best bull we have ever owned." Buyers will be able to make their choice of the 66th's first two championship sons in this sale. Eight females carry his service or a breeding privilege to him.

ACADIA AUGUSTA 39th — This typical Calrossie Troubadour daughter is a full sister to Acadia Augusta 33rd, 1961 Eastern National and Pennsylvania National Grand Champion, All-American and dam of Acadia Napoleon 104th, one of the first two sons of Acadia Napoleon 66th featured in this catalog. Prolific would be the perfect synonym for the Augustas at Acadia from Scotland's Garguston herd. Sells with breeding privilege to the 66th, so the resultant calf will be a full brother or sister in blood to the 104th.

\$475 Timberlee Valley

stringent health measures. All females have been calthood vaccinated. Each animal selling has complied with the health regulations of its home state and of the state of Ohio. Health certificates on sale day will be issued by a veterinarian authorized by the Ohio Division of Animal Industry.

Guarantee — All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Ass'n.

Terms — Terms of the sale are cash or check to the clerk at the conclusion of the auction. All sales are final as soon as bid off and constitute a contract between buyer and seller. Acadia Farms, its owners, employees and guest consignors are not responsible for accidents that may occur. All attending this cattle sale do so at their own risk although every precaution will be taken to guard against accidents. The sale manager and auctioneers, ringmen and clerks were hired for specific promotional and clerical tasks and have no connection with the contract and assume no liability.

Shipment of Cattle — We will be glad to hold cattle purchased for a reasonable time at no cost so that the most convenient arrangements can be made. Good truckers are available in the area. We will be pleased to help you make arrangements with them and to combine shipments wherever possible.

Lunch — Will be provided sale day.

Further announcements — A complete list of breeding dates and other vital information will be furnished at the sale. Announcements from the auction block supersede any written material.

Sale manager — Don Longley, 16 S. Locust St., Aurora, Ill.

Why settle for second best — Buy the Blood of Champions

Timberlee's T C Rosewood 16-25th x, Lot 40, the heifer the Smalstigs consider to be the best they have ever raised. Her sire and dam are pictured on page 11 of this catalog.

TIMBERLEE'S TC ROSEWOOD 16-25th x — Is as valuable a female as we have ever offered. She has been earmarked "replacement" since the day she was calved — only this sale would prompt our selling her. Her sire, T. Consort 16th x, most resembles old Consort himself. He is royally bred. This heifer's dam was champion at the 1961 Maryland State Fair and was senior champion at the 1962 Penn and Eastern Nationals, and

Rosewood 58th Red, R. C. Boeger		

BOLL WEEVIL ROSEWOOD 4th — A red daughter of Bapton Craftsman, out of one of the most prolific cows in the herd. We have a great many daughters and granddaughters in the herd. She has been bred since October 12 to our new junior herd sire, Acadia Napoleon 76th, and has been examined and is safe in calf. Calhhood vaccinated.

Right: Acadia Napoleon 76th, the double-bred grandson of Kinellar Napoleon that was the second top-selling bull of the 1963 Acadia sale. He is the junior herd sire at Boll Weevil Plantation. Seven females carry his service.

A BREED IS BUILT by dedicated people. No Shorthorn task has been too big for Cyrus Eaton. No amount of time or travel has been too great for Acadia's energetic Betty Royon to devote to the interests of the breed. Acadia is always one of the first to support any worthy breed project. Its participation in breed improvement and promotion covers a wide range — Shorthorns, Polled Shorthorns, steers, carloads — champions all — and all with increasing emphasis on the fundamentals of performance.

Acadia is the source of a powerful new bloodline — the Napoleons. The Napoleons were the feature of the 1963 Acadia sale, top-averaging Shorthorn auction of the year in the United States. The 1964 Acadia group is an all-Napoleon offering. The ten bulls are all Napoleons. Three-fourths of their females are Napoleons, and, the featured service sires are such great Napoleon bulls as the famous Acadia Napoleon 66th.

Equally important has been the enthusiasm expressed by purchasers of Napoleon bulls. Talk to such people as Larry Hart of Texas, John Shuman of Colorado, Keith Shepherd of Kentucky, Walter Emrick of California, Harry Peters of Virginia, Bill Sherrod of Colorado, Charles Harness of Missouri. These good cattlemen came looking for bulls with great thickness, depth of quarter, width and strength of loin. They also wanted smooth, trim-fronted bulls with the bone and character always associated with a breeding bull. I urged breeders to travel these long distances last year assuring them they wouldn't be disappointed. They came and they bought. The 1964 offering is another powerhouse. Again, I urge you to travel any distance to attend.

Additional power has come to this sale through four excellent guest consignments. Elsewhere in the catalog I have commented on their cattle as space would permit. These herds too are famous for champions. Each has entered its very best to get this first annual sale off to a strong start.

BOLL WEEVIL: FAMOUS FOR CHAMPIONS

No one in the business has made a more meteoric climb than Mrs. Hugh Fenwick and her six-year-old Boll Weevil Shorthorn herd. In that brief time she has assembled a truly great foundation — one that has produced champions at almost every major show in the country.

The herd is rich in the blood of Calrossie Ocean Wave, one of the greatest breeding bulls ever imported to the United States from Scotland. He was followed by the great Bapton Craftsman, the last herd sire im-

BOLL WEEVIL ROSEWOOD 7th (twin) — This young heifer is a twin with a heifer we are keeping. The Rosewood family has been a wonderful producing family for us and you will notice that a daughter of her granddam is selling. Her dam, Rosewood Imperial, is also the granddam of the white bull, Boll Weevil Radium, that sells in this sale. A full brother to this heifer, Boll Weevil Resolve, was purchased by Charles Whiddon of Dothan, Ala. Calthood vaccinated and sells open.

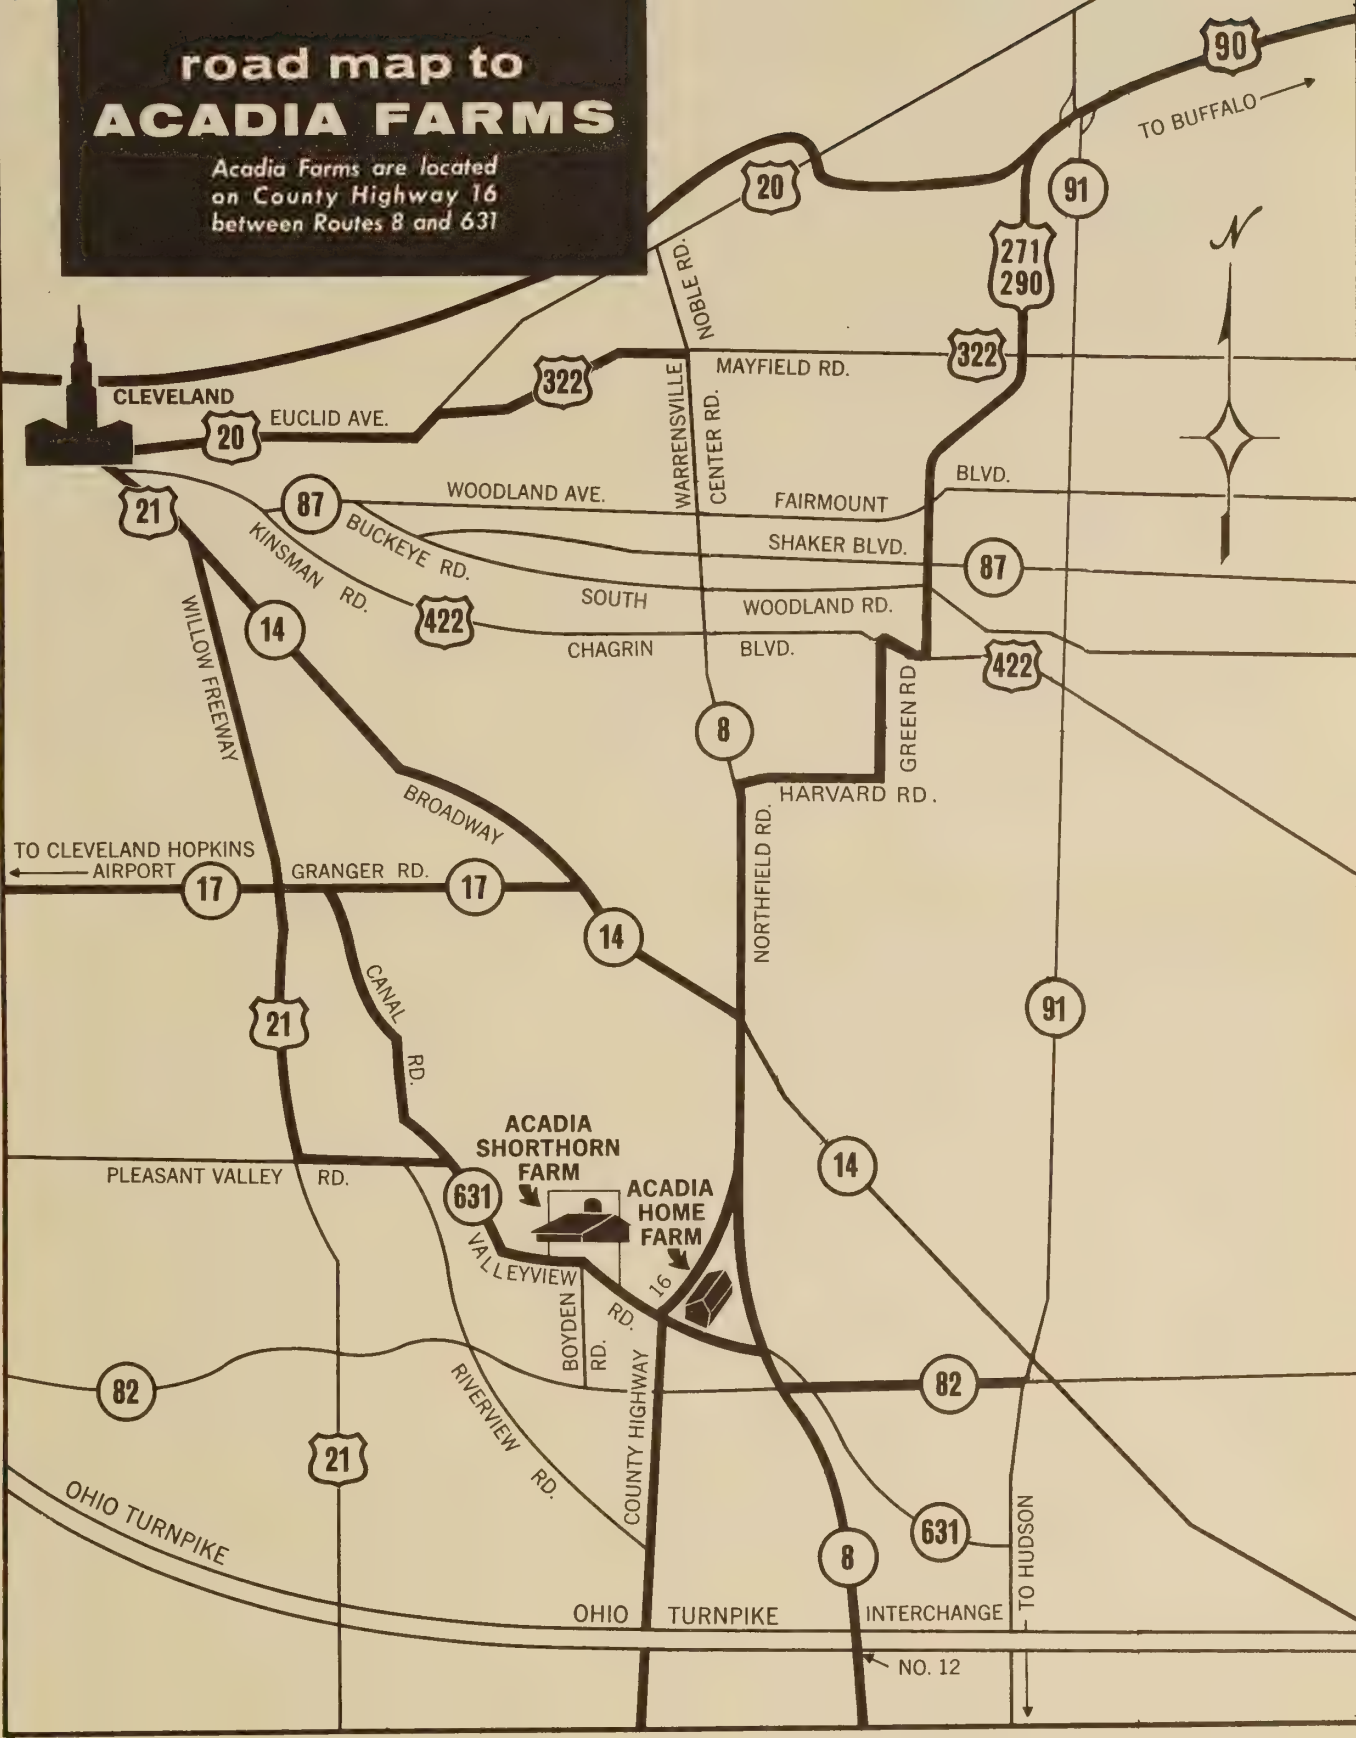

ported by Edelyn before its dispersion. Fourteen of his daughters sell in the sale. Many of them carry the service of Acadia Napoleon 76th, the very popular second top-selling bull of the 1963 Acadia sale. He is steeped in Gallant Marshal breeding from which he gets his bulging quarters, rugged bone and incomparable head.

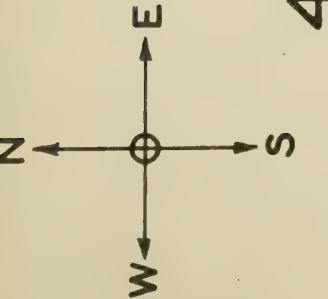

All Boll Weevil females are pregnancy checked or guaranteed open. The bulls are semen tested.

BOLL WEEVIL CROCUS -- This lovely red daughter of Bapton Craftsman is a full sister to Boll Weevil Checkmate. He is the bull that after two years of fitting and showing registered 17.8 square inches of rib-eye and only a .85 inch of back fat in a recent University of Georgia Sonoscope Test. If the buyer is willing, Boll Weevil would like to show this heifer during the coming show season. She has been calfhooed vaccinated and sells open.

"CHOICE OF CHAMPIONS" SHORTHORN SALE, ACADIA FARMS, MAY 16, 1964

CATTLE LOCATION LIST

For the convenience of sale visitors, dams of Acadia sale cattle and a number of other members of the breeding herd have been moved to the Shorthorn Farm from outlying pastures. Identification is provided by ear tag numbers shown on the following list:

Field V - Dam of Acadia Napoleon 66th and Cows with Calves by the 66th

- 242 Acadia Butterfly Charm 5th (dam of the 66th)

Left — Four daughters of Bapton Craftsman at Boll Weevil. A number of the Boll Weevil sale females are granddaughters of Calrossie Ocean Wave and are bred to Acadia Napoleon 76th. This is a cross that has worked very well for Acadia and has produced bulls like Lot 4.

Right — Bapton Craftsman, the great son of Calrossie Constellation. Craftsman was the last bull to be imported for service at Ed-ellyn before its dispersion.

BOLL WEEVIL MISS RAMSDEN 3rd — This beautiful heifer is only for sale because we have a great many Miss Ramsdens in the herd. This is a lovely heifer, able to go into anyone's show herd. She comes from a highly productive and excellent family. We are using a son of her granddam as our herd sire. Kinellar Miss Ramsden was probably the best cow imported into this country because of the wonderful producing females she has added to the Shorthorn breed. This good female sells calfhod vaccinated and has never been served by a bull.

COVER IDENTIFICATION

A representative cross section of International champions from five herds famous for champions. From top to bottom:

- 1 — Champion pair of bulls 1964 Canadian Inter'l Bull Sale for Acadia Farms . . . includes the reserve grand champion. Both are by Deep Cove Napoleon 3rd, sire of three selling.
- 2 — Skirmish Hills Rodney x, 1963 International grand champion Polled Shorthorn bull, owned jointly by Penn. State Univ., Timberlee Valley Farm and Holly Hill Farm. Service sire of four females selling.
- 3 — Brawith Betsy 2nd, 1960 International grand champion female, with

"Choice of Champions"

Five herds famous for champions are joining forces to provide the foremost Shorthorn and Polled Shorthorn offering of the year. All five farms are the homes of champions from the International and other major shows. Their owners invite you to be on the seats Saturday, May 16, and make your choice of champions.

Choose from bulls and females that were champions in 1963.

Choose from the greatest group of potential champions that has ever been assembled in auction sale offering.

Mrs. Hugh Fenwick of Boll Weevil Plantation with Boll Weevil Princess, reserve champion female of the 1960 International Congress Sale.

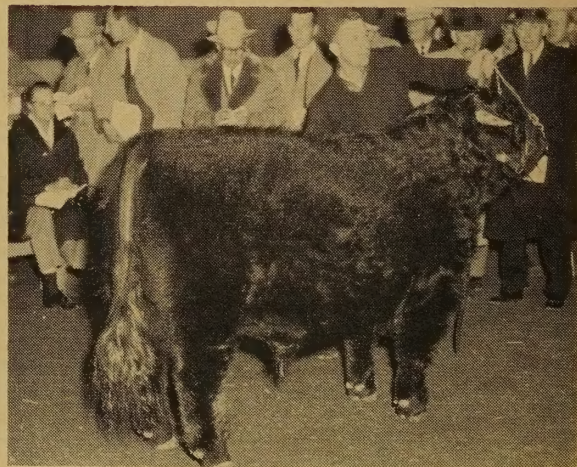

Remember — Larry Hart of Texas, Keith Shepherd and the West Kentucky Coal Co. of Kentucky, Ellis Shafer of Indiana, Charles Paugh of Ohio, all chose bulls in the 1963 Acadia sale and later saw their choices become champions.

Your champion will be waiting for you, Saturday, May 16.

20 ALL-AMERICANS

Just for the record, let it be remembered that the consignors to this sale have a total of 20 All-American nominees. Here again a number of these sold in the 1963 Acadia sale and later went on to become All-Americans. Some All-American nominees sell in this sale. A powerful group of potential 1964 nominees sell. Choose them now. Watch them on their road to success.

Since the All-American awards started in 1961, Kinellar Napoleon has, in the three years combined, sired a total of more All-American nominees than any other sire.

ACADIA NAPOLEON 77th sold in the '63 Acadia sale to Hart Farms, Waxahachie, Tex., and later was grand champion of the Ohio State Fair. A full brother Acadia Napoleon 88th, sells this year. Their half-brother, Acadia Napoleon 80th x, grand champion of the Ohio Polled Shorthorn Show, also sold in Acadia's 1963 "Napoleon Memorial" sale to Keith Shepherd, Hopkinsville, Ky. The 1963 Ohio State Fair was the first time in the history of a major show that the champion bulls and winning gets-of-sire were ALL sired by the same bull — the incomparable Kinellar Napoleon.

THIS IS YOUR CATALOG

This is your catalog for the first annual "Choice of Champions" Shorthorn and Polled Shorthorn Sale. It is printed in full in the breed magazine so that breeders everywhere can gain a better understanding of the breeding programs being carried out in the five herds famous for champions represented in this sale.

Bring this catalog with you sale day. Reprints are available on request from DON LONGLEY, Sale Manager, 16 S. Locust St., Aurora, Ill.
